

### **Goonhilly Earth Station**

We would like to thank Goonhilly Earth Station for allowing us to film at their historic site on the Lizard Peninsula in Cornwall. You can find out more about its history and the exciting plans for its future at [goonhilly.org](http://goonhilly.org)

### **British Amateur Television Club**

The BATC was founded in 1949 to promote the hobby of Amateur Television and is the largest such specialist organisation in the world.

Noel Matthews G8GTZ who appears in this episode is the organisation's Chairman.

The club offers its members:

A colour magazine

An on line shop which helps members source components and software downloads

An on line forum through which members can seek help and exchange ideas

An annual convention

More info can be found at their website, along with details of their excellent Youtube channel and their live streams of ATV repeaters [batc.org.uk](http://batc.org.uk)

### **Tim Peake and King's School, Ottery Saint Mary**

Students and staff at the school are very excited about the prospect of the live link up with Tim Peake via amateur radio. TX Factor will be there to film the contact as it happens and to bring you the back ground story behind this historic event.

The school has a dedicated page about the contact on its website [here](#)

More information on this contact and other upcoming contacts is at [here](#)

Full details of Tim Peake's Principia Mission are here [principia.org.uk](http://principia.org.uk)

### **The Kernow Award and K RSL**

For full details of how to apply for the Kernow award by working stations using the K Regional Secondary Locator visit the website of the Poldhu Amateur Radio Club [gb2gm.org](http://gb2gm.org)

## **Yaesu FT 991**
